Sr. Director Steven Thompson:

I am writing to inform you of my resignation from Elevate Credit effective 9/8/2017.

The past two years have been incredibly rewarding, and the highlight of my time here has been leading the company through data asset initiatives while working alongside you. In every interaction, I never failed to learn an extraordinary amount of technical data science as well as critical business acumen. I consider you one of the most impressive individuals in the company, and I am happy to have the honor to call upon you as my manager.

I'll spend the next weeks ensuring a seamless transition, and put forth every effort to assist in a successful knowledge transfer.

Thank you for the opportunity, and I look forward to when we may collaborate with one another in the future.

Sincerely,

Jason Seto
