**Sarah Cooke**

Empowering teams &  
amplifying impact | Coach -  
Consultant - Leader

June 1, 2010, Siddharth reported  
directly to Sarah

I have worked with Sarah over the past two years to create and develop the Austin Professional Chapter of Net Impact . Sarah is an extremely driven individual, someone whose focus, dedication and passion have not only helped shape Net Impact Austin, but also have inspired those around her. Her strong work ethic and remarkable ability to multitask are an asset to any organization that she is a part of; she does an outstanding job completing an impossible schedule of disparate tasks. Very simply, she is a strong leader and an even better human being and I truly enjoyed working with her.
