Maria Delaney,

I want to express my sincere thanks for helping to coordinate the travel for my interview with Uber.

We had to plan an extremely last minute route and hotel, with a different end and start point to accommodate some of my pre-existing travel and you made it happen. With any other company, the logistics of this travel would've been a key concern, but you made the entire process seamless from start to finish.

Thanks again (and keep the fingers crossed!).

Sincerely,

Jason L. Seto
