David Rodriguez,

Thank you so much for spending time reviewing my resume, and working with my through this interview process. You orchestrated the initial phone screen with Peggy seamlessly, and it allowed me to focus my attention on the interview as opposed to logistics and timetables.

I also wanted to point to your energy and enthusiasm: it was an exceptional bright spot to the start of the process, and had me hooked onto Uber right away. Your spirit and charisma makes you the perfect spokesperson for Uber, and I'm glad we had a chance to meet.

Lastly, it was fantastic hearing about the differing opportunities that are available at Uber, and how open the company is to growth and development.

I look forward to an opportunity when we might be able to collaborate in the future.

Sincerely,

Jason L. Seto
